

This could save valuable time.

(Not to mention your life.)

508
TAPLAN RD

By 2011, every occupied rural property in South Australia will have a nationally recognised address, based on a simple location system. Not only will this improve the delivery of regular services, it will protect your family in an emergency. More information is available at www.landservices.sa.gov.au

Rural Property Addressing.
A sign of things to come.
